Please submit both components of this assignment (the policy brief and background paper) to your instructors via email on or before **Thursday 4/16**, so that we can forward to contacts in Washington, D.C. in advance of our trip. You will also present your ideas in class that week. Please submit at least a draft of the policy brief portion of this assignment on or before **Monday 4/13**, so we can share with invited guests in before your presentations.
